Shenley Wood Fellowship  
3rd Sunday of every month

Deadline for newsheet items  
Wednesday 8pm

**Our Fellowship:**

- Give thanks and praise for keeping our church family safe this summer and refreshing us all in readiness for the new year ahead. Remember especially our Ministers and Leaders as they work together for the future of LBC.
- Give thanks for the young people who became Christians at Soul Survivor. Pray for them, and all of our youth, as they return to school. May they be able to stand strong and share their faith with their friends.
- Pray for the team who will be leading the youth work this term. May they form good relationships with the young people and be give wisdom to lead in the best way.

**Our City and Country:**

- Pray that God may give wisdom and integrity to our politicians to enable them to make good decisions on the issues which are tearing our country apart. Pray for Christian MPs, that they will have the courage to be different and to not get sucked into the prevailing atmosphere in Parliament.

**Our World:**

- Pray for all those in the Bahamas who have been affected by the hurricane. May they be given help to rebuild whole towns which have been virtually wiped out. Pray for the churches and their Pastors that they may be able to bring comfort and healing both in practical ways and by pointing people to Jesus.
