**1 CORINTHIANS 1:18**

For the message of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God.

**Our Fellowship:**

- Thanking God for the 28 days of prayer and being able to enjoy his presence. Asking for answered prayers and revival to come.
- Thanking God for the deacon nominations and asking for wisdom as the elections come. That those that stepped forward may know God's calling in their heart.
- Praying for volunteers to join the children and youth team, that they may hear God's calling and be used by God to point our young people towards Jesus.

**Our City and Country:**

- Praying for the epidemic of Coronavirus to be stopped, for those who lost loved ones to know God's comfort in the midst of tragedy, for those who are sick to be healed and restored, and for the rest of us to know God's peace and his protection. Praying for the authorities to have divine wisdom as they make a response to the crisis, that the vulnerable may be considered and taken care of with compassion. That Jesus Christ may display his glory through this situation and that his church may reflect his character by loving, praying and being joyful despite what is happening.

**Our World:**

- There are many who are still struggling to 'pick up the pieces' from the recent floods. So, we pray for Councils in the affected areas to bring relief and give proper support to those who are particularly vulnerable, particularly the elderly and those who suffer from ill-health.
- We pray for those fleeing from Syria, that you Lord, will bring them to safe places where they are welcomed and treated humanely. May your great compassion override all fears and racism.
